"Vision of a peaceful and united humanity by and for the Youth"

30 March, 16.45 – 18.30 hrs

On 30 March 2017, The Walk of Hope is organizing a walk in the City of The Hague, starting from the International School of The Hague (ISH), to the Peace Palace. The walk aims at spreading the message of non-violence, tolerance and peace among the participants and in priority the Youth, particularly school and college children. With its motto 'Oneness of Humanity', it aims at promoting the idea that what unifies us as mankind is more fundamental than what separates us and that mutual understanding and dialogue lead to greater tolerance, gradually considering the well-being of others as our own. The Youth is at the heart of this initiative. Up to 1,000 students along with teachers and other participants will walk for the Oneness of Humanity.
